

## Structured Abstracts

### Acknowledgements

This project was conducted under the leadership of Dr. Helen Pate-Bain and funded by a grant from the National Education Association.

All structured abstracts were written by Dr. Edward J. Miech and edited by Dr. Frederick Mosteller. Additional project assistance was provided by Marcie Dianda of the NEA; Dr. Jayne Boyd-Zaharias of Health and Education Research Operative Services (HEROS), Inc.; Dr. Helen Wise; and Dr. Charles Achilles of Eastern Michigan University.
